By filling out the [electronic enrollment form](#), you are agreeing to abide by the [policies](#) of Claire's Day School, as well as the following policies regarding PDO tuition:

- You understand that your child's space for PDO is secured with payment of the registration fee and first month's tuition, and these fees are non-refundable and non-transferrable regardless of circumstance.
- You understand that the tuition fees outlined above for the 2021 - 2022 school year are the same rate each month from September through May, regardless of the number of school days in any given month, and acknowledge the [school year calendar and holiday schedule](#).
- You understand that if reducing days or dis-enrolling from the program, you must provide one month's notice, and that tuition will not be altered until that month long period has passed. For example, if your child is enrolled for three days per week, and you notify the school in October that you would like to reduce your child's days to only two days per week, you will still be billed for the 3-day rate in November before the 2-day rate takes effect starting in December. You may add days to your child's schedule at any time should there be availability to do so.
- You understand that tuition must be paid each month from your child's start date through the end of the school year term, unless providing notice to vacate as outlined above, and that failure to pay any month of tuition will forfeit your child's space.
- You understand that while Claire's Day School allows you to try to make-up a day your child may have missed, make-up days are not guaranteed because of state licensed permitted ratios, and that the only day your child is guaranteed to attend is the day or days he or she is enrolled. Scheduled holidays outlined on the school year calendar, as well as a weather related closing (typically because of icy roads) are not allowable make-up days.

By filling out the [electronic enrollment form](#), you are agreeing to abide by the [policies](#) of Claire's Day School, as well as the following policies regarding Preschool tuition:

- You understand that your child's space for Preschool for the 2021 - 2022 school year is secured with payment of the registration fee and first month's tuition for the morning preschool program, and that these fees are non-refundable and non-transferrable regardless of circumstance.
- You understand that the tuition fees outlined above for the 2021 - 2022 school year are the same rate each month from September through May, regardless of the number of school days in any given month and acknowledge the [school year calendar and holiday schedule](#).
- You understand that if dis-enrolling from the Preschool program, you must give one month's notice, and that tuition will not be altered until that month long period has passed. For example, if you give notice of dis-enrolling in October, you will still be billed for November's tuition, after which billing would cease.
- You understand that tuition must be paid each month from your child's start date through the end of the school year term, unless providing notice to vacate as outlined above, and that failure to pay any month of tuition will forfeit your child's space.
- You understand that morning preschool does not allow for make-up days because of the way the curriculum is structured, and the need for the teacher to have students follow a consistent class program schedule. Your child may be allowed to make-up a missed afternoon with teacher permission on an afternoon he or she does not usually attend, but this is not guaranteed.

- You understand that your child's space for the summer 2021 program is only secured with payment in full of the tuition fees listed above, and that these tuition fees are non-refundable and non-transferrable regardless of circumstance. All of the summer tuition must be paid prior to the start of the summer session.

You also understand that if your child is of enrichment class age (3.5-6yrs), make-up days are at the discretion of the teacher, as planning and curriculum may not allow for additional children. You understand that the scheduled July 4th holiday closings are not allowable make-up days.
