By submitting your child's enrollment & registration forms through [ChildPilot](#)*, you understand that you:**

- Are committing to pay the registration fee & first month's (typically September's) PDO tuition for the 2025 - 2026 school year, & that these fees are non-refundable and non-transferrable regardless of circumstance.
- Agree to abide by the rules & procedures of Claire's Day School as outlined in our [parent handbook](#).
- Acknowledge the tuition fees outlined above for the 2025 - 2026 school year are the same rate each month from September through May, regardless of the number of school days in any given month and acknowledge the [school year calendar and holiday schedule](#).
- Must provide one month's notice if dis-enrolling your child from our preschool program, and that tuition will not be altered until that month long period has passed.
 - For example, if giving notice of disenrollment in October, you will be billed for November's tuition before billing ceases in December, & that the registration fee is not refundable.
- Must pay your child's tuition each month of the school year unless providing notice to vacate as outlined above, and understand failure to pay any month of tuition will forfeit your child's space.
- You understand that while Claire's Day School PDO allows you to try to make-up a day your child may have missed, make-up days are not guaranteed because of state licensed permitted ratios. Make-up days, if offered, are a privilege rather than an entitlement, & the only day your child is guaranteed to attend is the day or days he or she is enrolled. Scheduled holidays outlined on the school year calendar, as well as a weather-related closing (typically because of icy roads) are not allowable make-up days.
- May not reserve space for your child to start later in the school year without remitting payment for the previous months of the school year up until your desired start date.
 - For example, if you wish for your child to begin our program in January, you must also pay for the school months leading up to January in order to hold your child's program space, as the slot must be reserved for your child immediately at the time of her or his enrollment for that later start, and therefore impedes another family's ability to utilize the space.
