Meet the Teacher

My name is Tiffany Gill. I have been teaching in the Summers at Claire's Day School since we opened in 2004, and the last ten years have taught the 4s Pre-K class after spending the previous seven years teaching Kindergarten and 1st grade in Plano ISD. I am certified to teach early childhood through 4th grade, ESL & PACE (talented and gifted), am a licensed BCBA, and have also completed my Masters in both special education and behavioral sciences. Claire is my mother and Brian is my older brother. I graduated from HPHS in 2004, and then went to Texas Tech University where I received my Bachelors of Science in Early Childhood Development with a minor in Theatre Arts. Teaching is and has always been my passion. I look forward to an exciting summer with your child!
