**The option to attend one day per week has been eliminated, as it has been our experience that children have a much more difficult time adjusting to a school environment compared to those who attend two or more days per week.*

There is a \$100 summer enrollment fee for students attending only the summer session; however, this fee is waived if the child was enrolled for the previous school year, or is enrolled for the upcoming school year.

By submitting an [electronic enrollment record](#) to secure days for your child to attend our summer 2022 school program, you are agreeing to abide by the [policies](#) of Claire's Day School, as well as the following summer tuition terms:

- You understand that your child's space for the summer 2022 program is only secured with payment in full of the tuition fees listed above, and that these tuition fees are **non-refundable and non-transferrable** regardless of circumstance. All of the summer tuition must be paid prior to the start of the summer session.
- You understand that depending on the number of days selected, you might be given the option to make monthly payments towards summer tuition, but that the balance for summer tuition is still your responsibility since the summer days elected have been reserved for your child.
- **You understand that the summer 2022 term runs from Wednesday, June 1st through Tuesday, August 9th, with July 4th holiday closings from June 29th – July 5th (**no classes on Wednesday, June 29th, Thursday, June 30th, Monday, July 4th, and Tuesday, July 5th** - see our [calendar](#)). You also understand that the summer tuition listed above does not change regardless of days or weeks missed, and that there is no option to enroll for only certain weeks of the summer term. In other words, summer term is "all or nothing."
- You understand that while Claire's Day School may try to allow for a missed PDO day to be made-up, summer **make-up days are not guaranteed** due to state licensed permitted ratios, and that the only days your child is guaranteed to attend are the days she or she is enrolled as selected on the [electronic enrollment form](#). You also understand that if your child is of enrichment class age (3.5-6yrs), make-up days are at the discretion of the teacher, as planning and curriculum may not allow for additional children. You understand that the scheduled July 4th holiday closings are not eligible for make-up.
